SUBJECT: 1505 Request / [REDACTED] Video Image Software

Attached to this report you will find a quote from [REDACTED] Inc. for the [REDACTED] field acquisition tool. Also enclosed is a brochure detailing the uses of this tool. [REDACTED] is a USB thumb drive video acquisition tool that can be utilized to obtain video image and audio evidence in a forensically accepted process. The [REDACTED] is tasked with obtaining forensic video for the Bureau of Detectives as well as the Bureau of Organized Crime. This tool has been extensively tested by the [REDACTED] and has proven a valuable addition to the forensic tools utilized by the [REDACTED]. Sgt. Washburn of the [REDACTED] is requesting (15) of these tools at \$399.00 a piece. Yearly software updates are available for \$65.00 per unit. The total cost including software updates and support is \$6,960.00. Also attached is a list of [REDACTED] currently using this equipment

These items are of a covert nature and knowledge of its existence should be kept within the Bureau of Organized Crime and limited to sworn personnel. A pre approved category list is attached. [REDACTED] is a sole source vendor. Since these items will be utilized in conjunction with narcotics related investigations as well as detective division related investigations it is requested that it be funded by 1505 and 1505ML funds, 50% each.
