We have received the equipment and they appear to be in good working order. They have been tagged and scanned into the BOC Inventory Control System.

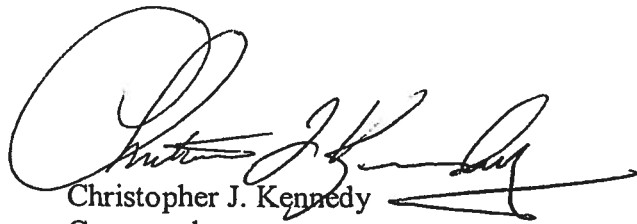

A check in the amount of \$5,385.00 should be made out to Resolution Video of Palmyra Virginia at this time. Because this equipment will be used for narcotics and other investigations it is recommended that both 1505 and 1505ML funds in equal amounts be used to pay for this invoice.
