This equipment will be sustainable for 7-10 years and has previously been approved.

This hardware will be used to backup files which in many cases are 6 E protected, knowledge of its existence should be kept within the Bureau of Organized Crime. The cost for this hardware and the 4 years of extended warranty is \$15,206.75. Because this hardware will be used for backing up all our Bureau shared servers and files it is recommended that 1505 and 1505ML funds be used to pay for these products should the request be approved.
