SUBJECT: **OCD Administration Office Server Request**

The undersigned is requesting a server to be purchased for the Organized Crime Division's administration office. The server is needed to house massive storage of data for confidential matters, OCD numbering electronic filing and it will house several of OCD's statistical databases. The current server can not store any more data and the retrieval time is very poor.

The total amount for the server is **\$8,594.00**. This is a one time cost. The attached pages show the final amount and specs.
